ANOTHER BALKAN WAR THREATENS EUROPE

SOLDIER BANDITS SWEEP HIGHLANDS OF MACEDONIA

OLD BALKAN TROUBLE INVOLVED
IN FIGHTING—PILLAGE AND
ARSON INDULGED IN

GREECE, BULGARIA AND SERBIA
ALL WANT SAME TERRITORY
—GOVERNMENTS ARMED

BY HENRY WOOD
(United Press Staff Correspondent)

Rome, May 31—Sweeping down on the highlands of Macedonia and Albania, great bands of irregular soldiers today threatened to start another Balkan war which may involve all of Europe.

The fighters—almost all bandits in their mode of warfare but being driven by strong nationalist feeling, entered foreign countries.

Pillage and arson marked their trail. The governments thus taunted immediately planned to raise forces to combat them. The old Balkan troubles were involved in the fighting.

Greece wants more land to the north; Bulgaria wants to reclaim some of territory lost in the war, and Serbia wants to retain her newly won lands.

Latest reports received here showed the situation especially critical in Macedonia and Albania, whose problems were not settled by the treaties of St. Germaine and Sevres.

Reports showed that large bands of irregulars have been recruited throughout the Balkans, almost every portion of the war torn region having contributed their share of fighting men. The governments back of them are armed to protect their legitimate interests.

Bridge Contracts Are Let on State Highway

(By United Press)

St. Paul, May 31—The first lot of bridge contracts under the new Babcock highway plan was let today by the state highway department.

Bridge contracts were let to successful bidders and they will begin work on the projects as soon as practicable, it was said.

J. T. Ellison, chief bridge engineer, said the bids were lower than on contracts let in previous years.

The Minnesota highway department is getting lower bids for road work than any other state, he said.

Prize American Fishing Schooner Esperanto Sinks Crew is Rescued

(By United Press)

Halifax, May 31—The schooner Elsie III, was reported today to be bound for White Head or Sanso, with the crew of the American schooner Esperanto, winner of the national fishing craft race, which foundered yesterday off Sable Island.

PEERLESS LEADER QUITS NEBRASKA

AND WILL HENCEFORTH HAIL AS
A SOUTHERNER—RESIDING IN
MIAMI, FLORIDA

(By United Press)

New York, May 31—Col. Wm. J. Bryan—southerner.

That is the way one of the country's foremost political leaders must be designated in the future, it was revealed today.

Bryan said he would end a residence of more than thirty years in Nebraska to become a legal citizen of Miami, Florida, where he has lived more or less for the past few years.

"Mrs. Bryan's health is such that it is necessary for us to live in the south, and as we have tested Miami climate for eight years we have chosen that city for our permanent home," he said.

Polish Forces in Upper Silesia Are Disintegrating

(United Press)

Oppeln, Upper Silesia, May 31—Polish insurgents at Cosel have mutilated according to Italian officials here today.

There was terrific fighting in the town last night. Italians on guard said it was entirely within Polish lines. The allied detachment believed it was an indication that the Polish movement is breaking up in the face of stiff German opposition and the threat of harsh action by the allies.

The Italians were overjoyed at the arrival of a battalion of British yesterday, a portion of the famous "Black Watchers," which was given an ovation as they tramped into Oppeln with kilties swinging and bag pipes squealing.

"I encountered General Von Haefler, commander of the German volunteers at Cosel," said the Italian official. "I, too, believe the Polish forces were disintegrating."

"I have been trying to run this affair in co-operation with the allies. The group under my command were formed because we were without defense. General Lerond, of France, promised us safety, but we did not get it."

New York's First Hotel.

The earliest hotel on record in New York city was Krieger's tavern, about 1642, replaced in 1703 by the King's Arms. At about the time that the town became English a proclamation was issued regulating the inns, with the stipulation that meals were not to cost more than eightpence nor beer sixpence the quart. Today the only check on profiteering comes through the natural law of competition, but for the purpose of advising guests of intended charges rates for room and board must be posted conspicuously on the premises.

RACE DISTURBANCES AT GREEN BAY, WIS.

GOVERNOR CALLS OUT TROOPS—
STRIKE OF PAPER MAKERS
CAUSE

(By United Press)

Madison, Wis., May 31—Troops to quell race disturbances in Green Bay were requested of Governor Blaine today by District Attorney Young of Brown county.

Governor Blaine ordered an immediate investigation of the trouble and announced his intention of dispatching troops in case there was a necessity for doing so to preserve law and order.

Labor difficulties are the outgrowth of a strike of the employees of three big paper mills at Green Bay.

Eleven Year Old Boy On Trial For Murder

(United Press)

Knox, Ind., May 31—Judge Wm. C. Pentecost today began the long delayed trial of eleven year old Cecil Burkett who is charged with the murder of seven year old Benny Slavin. Difficulty was anticipated in getting a jury because of the pronounced bias in Stark county.

Prosecutor James A. Dilts charges the crime was committed in cold blood and will demand the death penalty. Cecil and his brother Alfred, 9, and Fred Scherman, 7, were playing in the Burkett back yard last Thanksgiving. Benny Slavin and his sister Clara, age 6, were in an adjoining yard. Cecil called to Benny to come into his yard, but the latter refused. Cecil then held out a kite and tempted Benny into the yard. Prosecutor Dilts says Cecil reopened an old squabble and shot the Slavin boy using a .22 caliber rifle. The boy died in thirty hours. Cecil denied the prosecutor's version of the shooting saying that the shooting was an accident.

Displomatic Exchanges With Meico With a View to Recognition

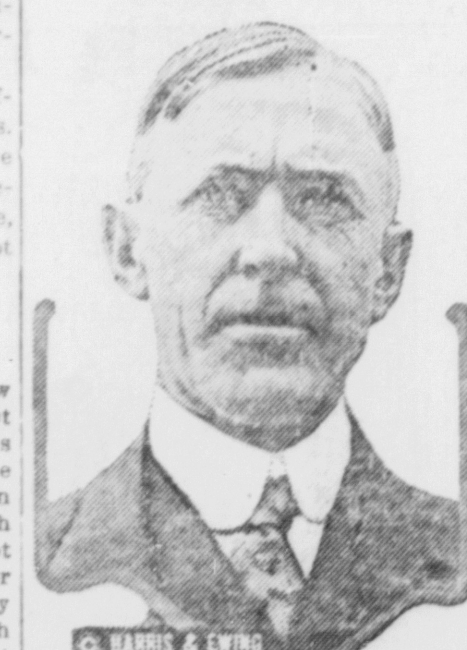

(By United Press)

Washington, May 31—President Obregon of Mexico, will accept the American memorandum on the question of recognition "as a basis for negotiations," it was learned here today by advices of the Mexican president.

The exchanges which now are expected to follow between the two governments will soon develop an understanding that will prompt the United States to recognize the Obregon government. It was officially believed in these quarters.

The next move by Mexico it was thought, will be a reply from President Obregon to the communication of memorandum from Secretary Hughes which was presented by Geo. T. Summerlin, charge of the American embassy in Mexico. Observers here think that if this is satisfactory, American recognition may be extended forthwith.

Gypsies Suspected Of Being Involved In Murder Case

(By United Press)

St. Paul, May 31—Four of seven gypsies arrested here last night in a saloon brawl, are suspected of being involved in a murder case at Pueblo, Colorado, some time ago. They are being held for investigation. One of the gypsies was wounded. Three of them were members of the Unwinked camp and the other four gave their names as Marks. Police believe there is a feud between the two families.

BIG TARIFF BILL READY JULY 1ST

MAIN PURPOSE FOR WHICH CON-
GRESS CONVENE SLOW IN
PREPARATION

(United Press)

Washington, May 31—The main purpose of this session of congress was to revise the tariff and lighten the tax burden by seeking to conserve, but estimates are that the task will not be completed before late next fall.

The house ways and means committee which has been framing a permanent tariff bill for some months has struck several big snags and hopes that the measure would be reported to the house by June 1 have been blasted completely. Chairman Fordney now thinks that the bill may be ready by July 15 but other members of the committee doubt if it will be ready by that date.

The house will fight over it for at least a month. The last big tariff bill required five weeks of debate before it was sent to the senate. By August 1 both house and senate probably will be complaining of Washington heat and it will be difficult to prevent a recess of from four to six weeks. Little work can be done by the ways and means committee toward modifying tax laws while the tariff bill is on the floor. The committee may stay in session during August for this purpose but even then it would be difficult to pass the tariff measure by Dec. 1, the opening of the regular session. In fact some members believe congress will be showing good speed if the measure on its past slow progress if the new tax will be read to go into effect January 1.

The ways and means committee is at present finding the chemical, cotton and aluminum and other tariff schedules are knotty problems to solve.

Supreme Court Adjourns Out of Respect For Late Chief Justice White

(By United Press)

Washington, May 31—The supreme court meeting today for the first time since the death of Chief Justice White, adjourned until tomorrow out of respect to his memory.

White's chair in the middle of the bench was draped in black as was the golden eagle just above his head. With a voice choked with emotion Justice McKenna paid tribute to his departed friend. There were tears in the eyes of the associate justices.

MILLIONAIRE'S WIFE IS SOME SPENDER

ALLEGES SHE COST HIM \$1,398,361.32, AND HE WANTS A
RELEASE

(United Press)

Chicago, May 31—J. Stanley Joyce, Chicago millionaire, turned in the barrage of scandal on Peggy Joyce, his actress wife today.

The third millionaire husband of Peggy filed action to petition his wife for a divorce.

The luxury of Peggy as his wife cost Joyce exactly \$1,398,361.32, he said in his petition. Joyce's side to the story charges Peggy with gross extravagance in buying everything she laid her pretty eyes upon.

From commonplace money matters the husband turned to men.

He reiterated charges that Peggy flirted about with celebrities on both sides of the Atlantic.

He charged that Peggy and a "stage aunt," Ida M. Stuart, "whom she associates with in her amorous undertakings conspired together to cause him to become engaged to Peggy Hopkins at Colorado Springs in 1915 when she was still the wife of Philbrick Hopkins."

Here are some of Peggy's extravagances as cited by Joyce:

\$735,000 worth of jewelry, \$71,000 for clothes in 1920, perfume bills amounting to \$38,000.

Irish President Cables United States For Funds

(By United Press)

London, May 31—With the British government supposed to be protesting informally against American aid to Sinn Feiners, "President" DeValera has cabled an appeal to his friends in the United States for further aid.

"Our enemies threaten increased frightfulness hoping to crush us," said DeValera's cablegram to the Irish Recognition association. "With this support we defy them. Liberty shall not perish here."

The message was said to have been called out by British preparations for use of still greater forces in suppressing the Sinn Feiners. It was reported that one measure will be shutting off of all military supplies from outsiders. It was said the British will refuse to be utilized in patrolling the Irish coast to prevent smuggling of arms from America to other vessels.

RAILROAD MEN AWAIT WAGE CUT ANNOUNCEMENT

FROM RAILROAD LABOR BOARD,
WHICH WILL BE ANNOUNCED
TOMORROW

(United Press)

Chicago, May 31—Two million rail employees were waiting today for the decision of the United States railroad labor board which is expected to take about \$4,000,000 a year from their pay envelopes.

The board announced today that its decision would be made public in tomorrow morning's newspapers.

Although the cut applies to just common labor it was expected a decrease will be made in the pay of skilled employees soon. The board today was swamped with petitions from railroads asking permission to slash wages under the new ruling.

The ruling of the board ends the long fight between employees and executives headed by W. W. Atterbury, vice president of the Pennsylvania lines. Atterbury several months ago petitioned that wages of common labor be trimmed.

Demands Rate Reduction With Wage Cut.

Washington, May 31—A demand that the proposed cut in railroad wages be accompanied by a reduction in rates on the Pacific coast fruit and vegetables, was made today by J. B. Mallory, vice president of the Union Brotherhood of Maintenance of Way Employees and Shop Laborers. "Hundreds of thousands of dollars worth of fruit and vegetables cannot be shipped to the hungry east because of high railroad rates and are rotting in California," Mallory said in a statement.

Bolsheviks Lose Leader in Mexico

(By United Press)

Mexico City, May 31—Bolshevism in Mexico today lost its most valuable leader.

Declaring that he had been "disillusioned by bolshevism which served only to enrich its exploiters," Diez Satoy Gama announced his withdrawal from the party.

"Laborers are not yet ready for a soviet reign," he declared in a speech in the chamber.

Firefly Illumination.

The firefly is a well-known beetle of the elateridae family, which is able to throw out a strong and apparently phosphorescent light in the dark. The illumination is intermittent, and appears to be under the control of the insect's nervous system. Both the male and the female fireflies emit light, as well as their larvae, the eggs being luminous even while still in the body.

Royal Speech in Second Place.

It is popularly supposed that a new session of the British parliament begins with the king's speech, but in reality this is not so. Preceding the speech from the throne a "dummy" bill is always presented for first reading—a little fiction carefully preserved in order to assert the independence of parliament, in the belief that to turn at once to the speech might suggest a too-eager preoccupation with his majesty's words.

Calumet always produces the sweetest and most palatable foods. And now remember, you always use less than of most other brands because it possesses greater leavening strength.

Now Remember—Always Use

CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Contains only such ingredients as have been officially approved by U. S. Food Authorities, is the product of the largest, most modern and sanitary Baking Powder Factories in existence.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Recipe
—4 cups sifted flour, 4 level teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups of sweet milk. Then mix in the regular way.

"You Save Money"
says the Good Judge

And get more genuine chewing satisfaction, when you use this class of tobacco.

This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

And a small chew gives more real satisfaction than a big chew of the ordinary kind ever did.

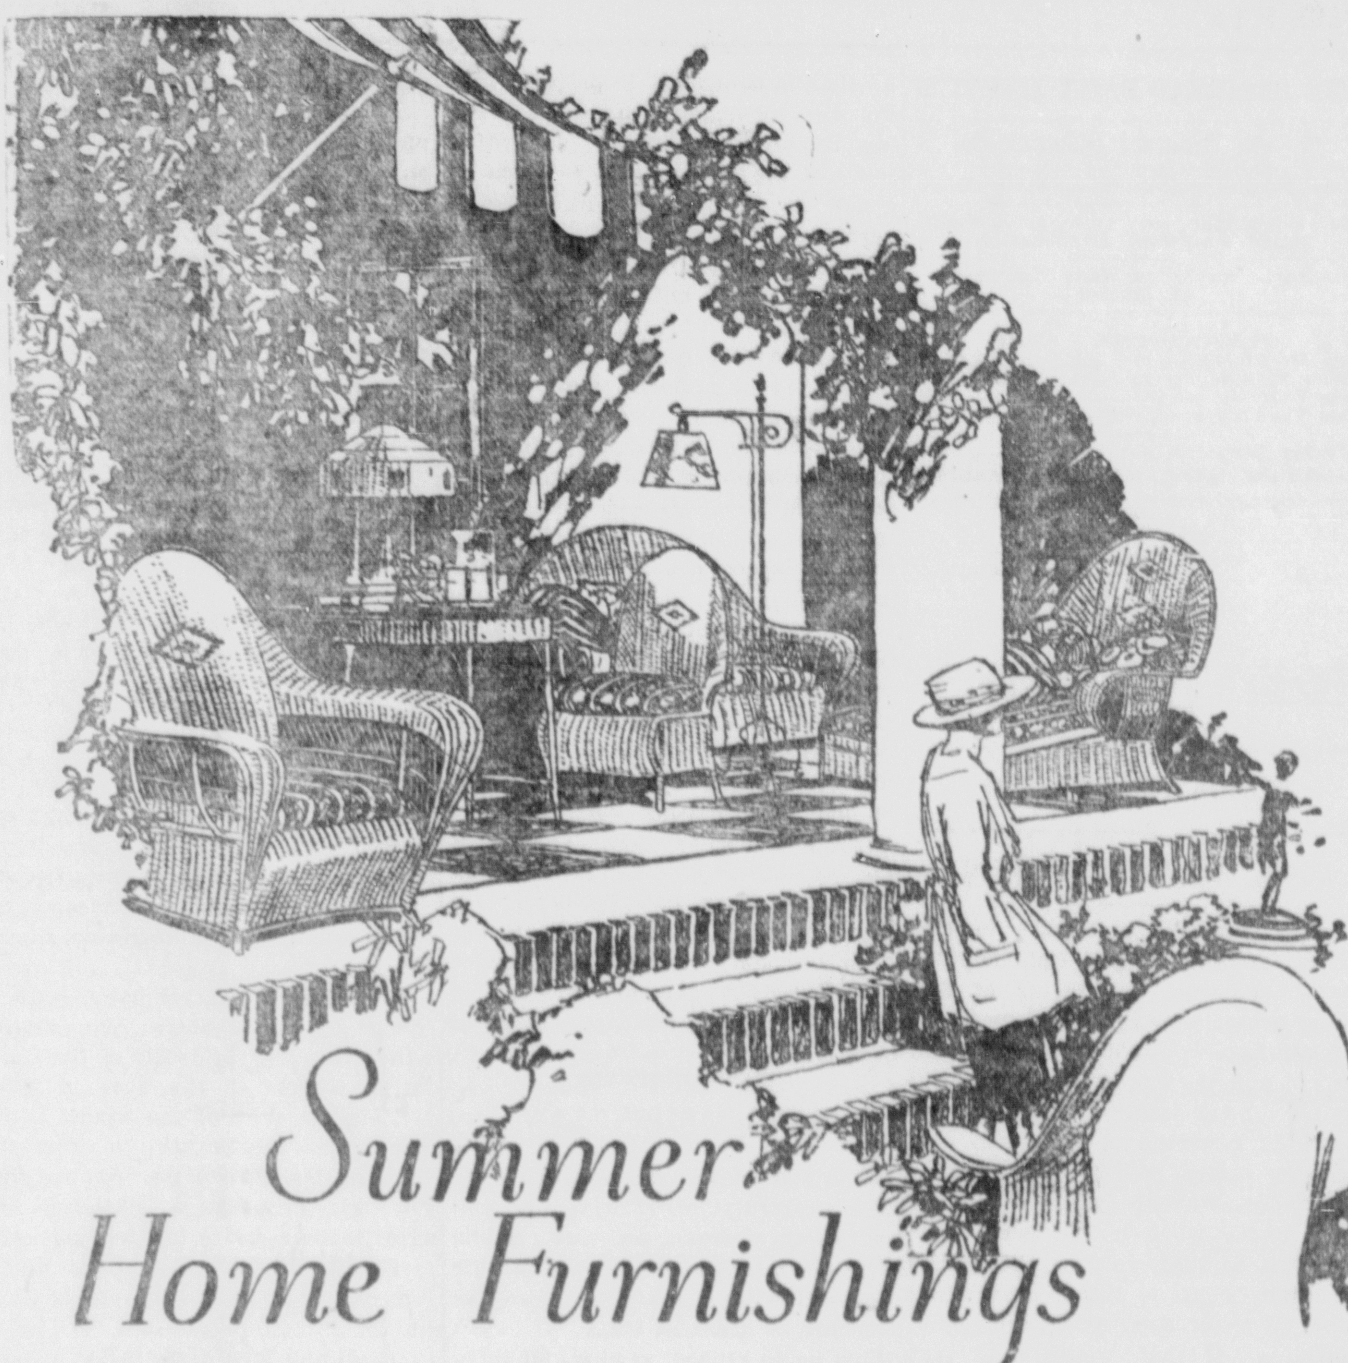

Any man who uses the Real Tobacco Chew will tell you that.

BACCALAUREA SERM GIVEN

By Rev. S. M. Kelly, Presbyterian
Church on Sunday evening at
the High School

DIRECT, INSPIRING MESSAGE

Text Was "Add to Your Knowledge
—Virtue, and Your Vir-
tue, Faith"

Sunday evening baccalaureate ser-
vices were held in high school
auditorium for the one grad-
uates in the class of 1921. Follow-
ing is the program:

High school orchestra, "Flora Over-
ture" by Schlegel.

Class marched in.

High school orchestra, "Calm as
the Night" by Carl.

Invocation by Rev. C. Cooke.

High school glee, "The Lost
Chord" by Sullivan.

Scripture readings, Winth-
ers.

Hymn "Come Almighty
King" by audience.

Address by Rev. S. Kelly.

High school glee, "Oh Wor-
ship the King" by

Benediction by Rev. C. Smith.

The baccalaureate address was
direct and inspiring for its

keynote the response that rests
upon the scholar. The text was

"Add to Your Knowledge, and to
Your Virtue, Faith"

Rev. S. M. Kelly had the in-
crease in knowledge the days

of Babylon, explain how each
generation added to wisdom of

the world, as we are our con-
tribution. With this edge comes

a deeper interest in religious
and political thinking the impetus

to this came first with Protestant
revolution, which inevitably

in political unrest, when man
begins to think for himself along

religious lines, he begins to ac-
quire an interest in relations to

his government and fellowmen.
Today this movement is

ever, for the increase in knowl-
edge has broken old things, and

century old beliefs to our fore-
fathers clung. Out of this dust

and turmoil must come a new
advance of knowledge. There-
fore upon the scholar today rests

a great moral responsibility. That
he spend his newly acquired knowl-
edge for the betterment of the

world, instead of simply for his
own selfish ends. Unless he has

a strong moral character, his
edge alone will be a menace to

of a help. This character he
builds up within himself, and

and sheer force of will power. It
makes his way upward, for the
world has no permanent place

for a man who depends on
pulling himself up by his own
push.

To his knowledge, a man must
add faith—an abiding faith in
the goodness of things and in
the vision for the future.

Then he needs to cheer
himself on and give strength,
and charity to bring him to God.

Rev. Kelly made plain along
purely moral lines, his day of
varying standards, could hold
fast to virtues' true, modesty,

for ages past have had that in-
modesty and immorality closely
galled. Of the girls asked that
they hold high the standards,

allow no privileges and of the
men as high standards their own.
Then manhood will to woman's

call for clean living, healthy
thinking. Of the boys asked that
they set high their play, fair-
be square, and honorable in

their treatment of pure moth-
ers of the race. When all he
pleads for a deeper life—a

linking up with God, for by
themselves they are sufficient,
but only as they take Great Mas-
ter into their lives they reach

their goal. His eloquence and
seriousness left a deep impression
upon the audience, and in the
future, when the graduates recall

memories of their school days,
the message left with them will
be as when they had listened
to his words.

SURPRISE PARTY

Mr. and Mrs. Ole Olson and Two
Children Edith and Albin Given
Pleasant Surprise

Mr. and Mrs. Ole Olson and two
children Edith and Albin of 1712
Laurel street, S. E., were given a
pleasant surprise party on Friday
evening by some fifty friends and
neighbors. They were presented with
a purse. The evening also resolved
itself into a farewell party, all pres-
ent wishing Mr. and Mrs. Olson a
successful trip and a happy time
abroad. Refreshments were served.
The recipients of the honors paid
them, expressed their heartiest ap-
preciation.

They left for Sweden on Monday
noon, and on their way to New
York will visit friends in Minneapolis
and Chicago. Mr. Olson has an aged
father in Sweden and Mrs. Olson al-
so has relatives there.

Larsen-Bloomstrom

A. K. D. Larsen and Miss Lillian
Bloomstrom were united in marriage
at the home of Rev. J. E. Cadwell,
Saturday morning, May 28th at 11
o'clock. They motored to Little
Falls, where they were to take the
train for Chicago, Ill. After spend-
ing a few days in Chicago they are
to go by boat to Muskegon for a
short visit with the parents of Mr.
Larsen, returning from there to
Bainbridge to make their home.

The many friends of the young
couple wish them a long and happy
voyage on the matrimonial sea of
life.

Royal Speech in Second Place.

It is popularly supposed that a new
session of the British parliament be-
gins with the king's speech, but in
reality this is not so. Preceding
the speech from the throne a "dummy" bill
is always presented for first reading—
a little fiction carefully preserved in
order to assert the independence of
parliament, in the belief that to turn
at once to the speech might suggest a
too-eager preoccupation with his ma-
jesty's words.

Skies of Yellow and Blue.

A yellow sky is caused because the
air is moist. Moist air is more trans-
parent than dry, and it allows the yel-
low rays to pass. A blue sky is
brought about by the weak blue rays
reflected upward, which cannot get
through and are sent back.

GOLF A SPLENDID TONIC

In a published statement in the Public Evening Ledger, Philadelphia, D. L. Anderson, a director of the Union League club of that city writes:

"Golf is a splendid tonic for both the old and the young, but especially the old. I can safely say that one of the chief concerns of men who are reaching mature age is how to continue in good health or how to regain good health when it has been lost. Some go to California in the belief the elixir of life is there; others try other methods, some good and some worthless. If they would only try golf they would discover how easy it is to keep as young as possible and young as long as possible.

"Let me tell this story: A man well known here, successful in helping to build up two of the largest business houses in Philadelphia, a hard worker who knew no eight-hour day, who worked harder on Sunday in religious educational work than during the week, became prematurely old, broken down and nervous as the result of his all-work-and-no-play program. He went twice to Europe, searching for nerve cures which he failed to find. He was about to go on his third trip when he called upon the late Dr. Weir S. Mitchell, the great nerve specialist.

"Dr. Mitchell at once saw his caller was worn to a frazzle. He told him to get out in the open air, play golf, more golf and still more golf. The nervous wreck took Dr. Mitchell's advice. Result: A man old at fifty-five is young today at past seventy. Golf did it! What golf has done for this man it has done for many men.

"Sunshine is a great tonic, and golf takes one out into the sunshine. Let the business or professional man who thinks he has no time for golf try to escape for an hour or more from his desk. Not the least of the benefits from golf is the taste and love for walking it creates. And in this day of hazy, injurious habit of calling your automobile to go a few steps, how much better off thousands would be if they knew how to enjoy a tramp over the country roads.

"Some men never walk a block in these days of high-powered locomotion; no wonder they can't sleep at nights.

"Are you sleepless? Try golf.
 "Are you nervous? Try golf.
 "Are you too stout? Try golf.
 "Are you too thin? Try golf.
 "Are you overworked and soft-muscled? Try golf."

HIGHWAY CONSTRUCTION

The office of Charles M. Babcock, state highway commissioner, is the scene of great activity just now, and

no time is being lost in preparing for the work of construction of the various important highways planned to traverse the state. Calls for bids on a new list of more than \$1,000,000 of permanent improvements on trunk highways in the twenty scattered sections were sent out on Thursday of last week.

The new list follows another \$1,000,000 lot of projects and a like amount of county work approvals announced ten days ago by Commissioner Babcock, and is given as evidence that the state highway construction program is being launched with all speed consistent with safety.

It is stated that Commissioner Babcock and John H. Mullen, assistant commissioner and chief highway engineer, are completing field investigations as fast as possible. The chief construction engineer and chief bridge engineer are getting out additional plans at the same pace. The result will be lettings of other contracts in addition to those now listed and aggregating more than \$2,000,000 in addition to county undertakings of more than \$1,000,000 and organization of the maintenance and patrol force of 1,200 men.

NEW HEADLIGHT LAW

"No person shall use or cause to be used after July 1st, 1921, on any motor vehicle operated on any public street or highway any headlights equipped with a reflector unless the reflector or glass in front of such lights be so etched, ground, moulded or constructed that the lighted filament shall appear blurred or all light emitted therefrom and projected above the level of lighted filament, shall be free from brilliant luster."

Coal is being rushed from Lake Erie ports to Duluth and Superior docks in the expectation of a strike being ordered by the railroad men's unions in the event of a reduction in wages becoming effective on July 1, according to information received by dealers from their Eastern connections.

Farmers over the Northwest are quite optimistic regarding the crops outlook. Wheat and other grains in Minnesota, North Dakota and Montana are said to have had an early start, and with normal rainfalls from now on, it is thought good yields will be secured.

The board of commissioners of Morrison county has voted to issue \$100,000 in bonds, the proceeds to be used in paving a portion of the Jefferson highway from St. Cloud to Little Falls, as designated by the state highway department.

One who ought to know remarks that a man who drives an automobile that he can't afford to own always takes comfort in the fact that he knows so many others in the same "fix."

At the New Park Tonight

Constance Talmadge took the audience by storm last night at the New Park in "Dangerous Business."

Here's a photoplay that soars like a rocket when placed in contrast with the commonplace and banalities of the average feature. It has the audience positively gasping at the new and daring situation of an unwed society girl darning and getting into bed in the bridal suite while the man sits on the side of the bed unclothed himself and no third party breaks down the door or comes near them. The supposed bride cannot cry out because she has been hoist by her own petard. A white lie has involved her so that she is afraid to summon help. The man deliberately compromises the girl and yet he is the hero of the story.

At the New Lyceum

Bill Hart is some scrapper, as everybody knows, but in his new Paramount picture, "The Testing Block" which is at the Lyceum theatre tonight only, he is a veritable superman.

A straying minstrel band, with a lovely girl who plays the violin, winds through the trails of the California Sierras in the days of gold. Mr. Hart is chief of the bandit gang. They force the players to entertain them in the heart of the redwood forest. The half-savage outlaws are avaricious in their desire to capture the girl and "Sierra" Bill, (Mr. Hart) forces them to fight him, one by one, for the right to claim her. He beats them all and then himself half-crazed, seeks the girl and forces her to marry him. That is the beginning of a story of human tragedy and joy, which unfold in a mighty sequence of compelling incidents.

Mr. Hart wrote the story. Lambert Hillier adapted and directed it. The photography, was by Joe August. A. S. C. Eva Novak is the leading woman.

"Kazan" at the New Park on Wednesday

"Kazan" one of the most popular of James Oliver Curwood's delightful stories of the Canadian Northwest, is coming to the screen this week at the New Park theatre, opening an engagement tomorrow. This production was adapted and directed by Bertram Bracken. In the leading role is Jane Novak, and she is supported by Ben Deeley.

The part of "Kazan" is taken by one of the most intelligent "hunkies" of the Canadian Northwest. The picture, it is said, abounds in wonderful photography of the great snow country and makes use of many varieties of wild animals in their native haunts. It is a gripping story of treachery, love and adventure, with a lesson taught and an example set by the savage but faithful dog "Kazan."

Stomach Out Of Order? Try NR

Nothing Better to Straighten You Out After Eating Too Much. Tones Liver, Regulates Bowels. Acts Pleasantly. Guaranteed.

Many people eat too much every day and most eat much too much some days. That is why Americans suffer more than any people in the world from indigestion, biliousness and constipation.

With a little thoughtfulness and care, however, a great amount of this distress could be avoided and you'll never realize how true this is until you become one of the several million people of this country who keep a box of Nature's Remedy (NR Tablets) constantly on hand and use it whenever indigestion, biliousness or constipation threaten.

Unlike laxative purges, cathartics, such as oil, calomel, etc., which merely force bowel action, Nature's Remedy exerts a beneficial influence upon the entire digestive and eliminative system—the stomach, liver, bowels and even the kidneys. Its purpose is to promote vigorous and harmonious action of all the organs that handle the food and body waste.

That is why the results which follow the use of Nature's Remedy are always a delightful surprise to those who first try it. The action while prompt and thorough, is as mild and gentle and pleasant as Nature herself, and the thorough cleansing the body receives brings a feeling of real relief and benefit such as no laxative pill or cathartic ever produced for anyone.

Get a 25c box of Nature's Remedy (NR Tablets) and try it. There is no risk in doing so, for it must give you greater relief and benefit than any liver or bowel medicine you ever used or money back instantly. It is sold, guaranteed and recommended by your druggist.

MEMORIAL DAY WAS WIDELY OBSERVED

Soldier and Sailor Dead Honored
With a Full Measure of Devotion on Monday

PARADE WAS VERY IMPRESSIVE

Many Service Men from all Branches
Marched, Rev. H. J. Wolner Delivered Memorial Address

Memorial Day was more widely observed in Brainerd Monday than in many years past. In spite of the threatening clouds the marchers formed and made up one of the most representative parades with many branches of soldier and sailor service represented.

At the head of the parade came the flag bearer, W. B. Lear and his two guards, the marshal of the parade Franz R. N. Anderson and aides, the firing squad in charge of O. A. Peterson, the Brainerd Municipal band, cars carrying the mayor and other city officials, members of council, etc., speaker of the day Rev. H. J. Wolner, Supt. W. C. Cobb, Albert Fox and J. A. Wilson of the G. A. R. post; G. A. R. Veterans in cars, the Spanish war veterans which mustered three men Carl Adams of the Winnor Adams Lumber Co., Andrew P. Nelson of the postoffice and Christ Mattson; late war veteran officers in charge of Dr. George Ribbell; late war veterans in charge of Capt. A. A. Gierlet; sailors in charge of Bert Orne; nurses in charge of Miss Ordahl; Woman's Relief Corps and Circle Ladies in cars; Y. M. C. A., Salvation Army, Knights of Columbus, Jewish Welfare board and Red Cross workers in charge of F. B. Randall; detachment of Knights of Pythias and other civic, fraternal and union associations; Camp Fire Girls; Miss Zierke and Miss Vanep on horseback in costumes portraying Liberty; the schools headed by the high school graduating class. Gay with pennants and flags, the school section of the parade made a brave showing and gained hearty applause.

At the cemetery the Brainerd Municipal band played a selection, followed by the invocation by Rev. Fred Errington. The proclamation was read by Albert Fox, Commander of the G. A. R. The audience sang "America". Lincoln's Gettysburg address was finely delivered by George Engstrom of the high school graduating class. A double male quartet sang "Testing on the Old Camp Ground".

Memorial Address

The Rev. Hans J. Wolner in delivering the address of the day, among other thoughts emphasized the fact that these exercises were not of modern invention. He called attention to the fact that the silent grave was not the only place where our respect and love was shown for said he "We have today, in our midst those who sacrificed their all that we might have a united national life and that foes within and without might understand that as a nation we stood as true knights ready to aid suffering humanity in its hour of need. This day we honor these men and women as well as those who have journeyed into the greater life beyond the vale. There is no need however that we should crown them with the laurel wreath for the fact that they responded to their country call and did their best, that of itself brings its own reward, a reward that long outlasts the withering leaf and fading flower or any metallic sign of distinction."

He showed that individual existence is extended beyond the limits of individual life and that the happiness of every age is chained in national dependence upon that of every other. It was pointed out that the exercises of a day like Memorial Day aroused in the hearts of our people an interest in the history of the nation which in turn created an attachment to the deeds of greatness and daring that have and did give it birth and continue to nourish it in its remarkable development. "The deeds of self sacrifice and valor that dot the pages of our history as stars the azure blue," said the speaker "inspire the living in acts of patriotism and deeper loyalty which will, I hope ever increase as one memorial day succeeds another."

Mr. Wolner endeavored to impress upon his hearers the fact that despite the glorious examples seen on the canvas of the past and taking their place in the drama of the present all men were and are not noble and in their private and public lives they do not strive to emulate the noble qualities which go to the making of real greatness either past or present and because they do not there is unrest and bloodshed in our midst. "Capital," said Mr. Wolner "doubts the sincerity of labor

and labor is convinced that capital is a lion disguised in the skin of a lamb."

The speaker pointed out the great sacrifices that have been made by the women of our land in days of national stress. "All honor," said he "to the loving and faithful women of the past and of the present whose kindly ministrations and care helped friend and foe alike. How much blacker would the page of history be were it not for the heart and hand of woman."

Fitting tribute was paid to the Grand Army of the Republic and especially to the representatives of that body who were seated on the platform and equally fitting honors were shown to the Spanish American War Veterans and last but by no means least to the members of the American Legion and World War Veterans.

The G. A. R. ritual was exemplified by Albert Fox and J. A. Wilson. "America the Beautiful" was sung by the audience. The decoration of the cross followed. "Nearer My God" was sung. The band played "The Star Spangled Banner." They gave the salute of the firing squad and taps.

For the Sailors

Special ceremonies at the Mississippi bridge marked honors paid the sailor dead.

The Brainerd Municipal band played, soldiers and sailors stood at attention as a wreath was hung on the water and buglers sounded taps.

Entertained at Dinner

Ladies auxiliaries of the veterans served dinner at Odd Fellow hall after services and a large group of veterans, soldiers and sailors, were entertained.

12 DAY BRIDE ENDED HER LIFE

Fargo, N. D., May 31.—"She reached up and put her arms around me, then fell back dead," said Roy Rivers, in closing his story to police here of his 12 day bride's suicide.

He said Mrs. Rivers had made several threats to end her life, unless he quit drinking.

Mrs. Rivers formerly lived in Brainerd, her maiden name being Brown.

RESOLUTIONS ADOPTED

Club Women Demand a More Strict Censorship of the Films Used in Theatres

These resolutions were adopted by the Sixth District Federation of Women's Clubs in session in Brainerd. Whereas conventions of men have filled columns with their resolutions, the ladies condensed theirs and got right to the gist of the matter under consideration. They follow:

"That each club in the district be urged to cooperate with organizations that are promoting reconstruction and Americanization.

"That we as club women demand a more strict censorship of the films used in our theatres.

"That the women of the sixth district be urged to cooperate with organizations that approve of a certain percentage of disarmament of all nations.

"That the sixth district clubs cooperate in the enforcement of the prohibition laws.

"That we women of the federation take a decided stand on dress reform and public decency.

"That we extend thanks to the hostess city, to the club women of Brainerd, the entertainment committee, the program committee, the committee on arrangements, the musicians and speakers, to the church and the press, and all who so kindly opened their homes, furnished cars and entertained us so royally."

MILITARY FUNERALS FOR TWO SOLDIERS

Edward A. Olson and Frederick C. P. Roll Buried With Full Military Honors Sunday

SERVICES AT THE CHURCH

Service Men in Uniform Turned Out Largely, Simple Rites Prove Very Impressive

Military funerals were given two of the world war heroes brought back from France, Edward A. Olson and Frederick C. P. Roll, and the services Sunday afternoon at church and grave were most impressive.

Service men in uniform marched and took part in the simple rites. At the Clara Lutheran church prayer was offered by Rev. Fred Errington and the scripture was read by him. The choir sang. In his address Rev. Errington dwelt on the price of liberty, that it was sacrifice. It lay with us to follow the example set by the heroic dead, to do the fullest good for each in the betterment of all.

Rev. Eloy G. Carlson, pastor of the Clara Lutheran church, spoke of the sacrifices made by the young men, of the prayers of families and congregation which followed them. His heart went out in sympathy to the loved ones who grieved. We admired the boys who fought for us. Today we had paid honor to three who had fallen in their country's cause, being the two in his church and Monroe Elder.

Re. Carlson read these records of the dead:

Edward A. Olson was born Sept. 2, 1889 in Brainerd. He died Dec. 9, 1918 of broncho pneumonia and was 29 years old at the time of his death. He was called to service April 27, 1918. Trained at Camp Dodge in Company B, 313 Engineers, 88th Division. There are left to mourn his father, mother and four sisters. These relatives are Mr. and Mrs. Christ Olson, Mrs. A. G. Anderson, Mrs. A. M. Jackson of Brainerd, Mrs. R. H. Jones of Detroit, Mich., and Mrs. G. G. Holmstrom of International Falls.

Frederick Christian Peter Roll was born June 3, 1894 in Swift county, Minn. He enlisted in June, 1918. He died of pneumonia in France on October 30, 1918. He leaves to mourn his father, three sisters and three brothers.

Two large American flags draped the wall near the pulpit. Flowers were on the caskets and two large pillows of beautiful flowers were near each coffin.

At the close of the church services the service men filed out. The pallbearers for Edward A. Olson were Al. Englund, Art Turcotte, Frank Selaker, Ray Hall, Milton Mahlum and Donald Closterman. The pallbearers for Frederick C. P. Roll were George Fricker, Henry Ryan, Ralph Russell, Henry Maxin, John Sundberg and Frank Kish.

As the funeral cortege marched to the cemetery there came first the flag bearer and two guards, the Brainerd Municipal band, the firing squad of eight men in charge of O. A. Peterson, the ministers Rev. Eloy G. Carlson and Rev. Fred Errington, Franz R. N. Anderson and Ed Korp, the hearse with the remains of Edward A. Olson, attended by six pallbearers, cars bearing relatives, the hearse bearing the remains of Frederick C. P. Roll attended by six pallbearers, cars with relatives and the corps of service men in charge of A. A. Gierlet.

At the graves the simple military rites were performed, with a short prayer by the chaplain, the salute fired by the squad, and ending with taps blown by a trumpeter at the grave and answered in the distance by another.

Crowds were at the church and at the cemetery.

FUNERAL PRIVATE

Monroe Elder, Son of Mrs. Flora Elder, Buried Sunday Morning in Evergreen Cemetery

The funeral of Monroe Elder, son of Mrs. Flora Elder, was held privately Sunday morning at 9 o'clock. Rev. H. J. Wolner officiating at the grave in the presence of relatives and intimate friends.

Mr. Elder belonged to Co. F, 513th Supply Train, 88th Division, and was a companion in arms of Art Turcotte.

TIED ONE GAME, LOST THE OTHER

Brainerd Team Plays Park Rapids at Park Rapids on Sunday and Monday This Week

FIRST GAME YIELDS 3 TO 3 TIE

Ran Eight Innings Until Church Bells Intervened—Second Game 2 to 0 Favor Park Rapids

Brainerd's baseball team, which this year is represented by the Speedwells, journeyed to Park Rapids and in two games there Sunday and Monday, tied Park Rapids 3 to 3 in an eight inning game halted by the church bells at 6 p. m., and was defeated 2 to 0 in the second game played on Memorial Day.

Here is the score by innings in Sunday's game:

Brainerd	000	012	00	—3
Park Rapids	110	000	10	—3

Batteries Gustafson and Gaskill, Miller and Shear.

Two base hits were made by Shear and Maas. Bases on balls off Gustafson 3 and off Miller 1. Struck out by Gustafson 11 and by Miller 9.

Second Game

The score by innings of Monday's game:

Brainerd	000	000	000	—0
Park Rapids	100	000	01x	—2

Batteries Stallman and Gaskill, Hyland and Shear.

A three base hit was recorded by Bell and a two-bagger by Gaskill. Stallman fanned six men and Hyland eight.

The Brainerd boys spoke well of the reception accorded them at Park Rapids by citizens and the team. Brainerd played well. There was fast fielding and hitting on both sides and fine plays were numerous. The attendance was good.

Card of Thanks

We wish to express our thanks for the heartfelt sympathy shown us in the bereavement of our son and brother, Edward A. Olson, Co. "B", 313 Engrs., 88th Div.

To Rev. Eloy Carlson for the kindness and thoughtfulness that enlightened us from the strain which at times felt as though unbearable.

To the American Legion Sidney Hanson Post, World War Veterans, Brainerd Municipal Band.

To our friends, relatives and neighbors, for the beautiful floral offerings, and to everyone for the assistance and sympathy shown us at this sad time of our last retreat.

Mr. and Mrs. Christ Olson
Mr. and Mrs. Andrew G. Anderson

Sweeney Says:-

A well painted screen will last indefinitely while one with the wires exposed will be rusted out in a very short time.

A coat of GILT EDGE SCREEN PAINT will give your screens the protection they need and will not clog the holes.

Paint them now and save money.

You will enjoy trading here.

Hats Off, America

In tribute to its war heroes, the Nation sets aside the 30th of May each year for the purpose of paying home to their memory.

The great World War added many names to our already long list of soldier and sailor dead and contributed a deeper significance to our solemn celebration of the day.

Hats off, America, the heads bowed to the heroes who have fought and died that we might enjoy the rewards of their splendid sacrifice.

Summer Is Here

The approach of summer very often causes eruptions to appear on your body. If your elimination is up to normal you will be spared these annoying rashes. Chiropractic Vertebral Adjustments will do much to help your eliminatory organs in such conditions that the skin will not be forced to work overtime. See Drs. LOCAL NEWS NOTES

At the present time, \$1.7 per cent of the Northern Pacific main line is equipped with automatic electric block signals. The company finds the block signal system very satisfactory and proposes to equip the entire system.

Russell E. Whitlock, of the Brainerd Tire Repair Shop, had two ribs broken and his car dented when a Lanan backed into him on Oak and S. E. 19th streets Sunday afternoon. The man who did the damage left in a hurry so that Whitlock is unable to identify him.

George Anderson motored from Minneapolis to Brainerd in his new Comet, carrying as a passenger Bob Trent. Anderson's car is covered with fakiroid, which has the appearance of Morocco leather and its beautiful appearance attracted universal attention.

It's reported that people laughed until they couldn't walk last night at the New Park.

Racing their cars on Gull lake road near Round Lake Saturday night, one car, Willys-Knight, came to grief as its driver tried to pass a Buick. The W. K. car creased in the wheel, smashed fenders and windshield, bent several axles and was towed in next day to the Stalbaner garage.

John Swafford returned yesterday noon from Brainerd and reports that his son Ernest underwent a successful operation at the Sisters hospital and will probably recover quickly. It was found upon examination that following the child's recent attack of pneumonia that considerable pus had formed in the lungs.—Staples World.

For Sale—Beautiful cottage on Clark lake with garage and ice house filled with ice. Price \$1150. With boat and furnished complete \$1350. If not sold before June 1 it will be withdrawn from market. Johnson & Blackledge, 211 Iron Exchange Bldg.

Commencement exercises of the State Teachers College of St. Cloud will be held on June 2. Brainerd graduates of the advanced graduate course include G. Alma Cooney, Karin Plaata, Helen A. Frost, Gerda Lillian Peterson, Elsie A. Schwartzkopf, Nellie A. Swanson, Hope L. Thabes, Ethel Marie Thomas, Hazel Worden.

Dance Friday Evening, June 3, Gardner Auditorium.

Effective with the northbound day passenger train No. 31 Saturday, May 28th, and continuing during the summer months, the Minnesota & International railway will operate a cafe parlor car between the Twin Cities and Bemidji. This service, in addition to the dining car service on the night trains serving dinner out of the Twin Cities, should prove to be an accommodation to the traveling public.

At the last amateur vaudeville performance at the New Park theatre the first prize was awarded the "Barrows Four". In homepun, comic costume Wm. F. Palmer, Julius Witham, Oscar Risberg and Leon Royky played selections, the instrumentation being violin, piano, clarinet and drums. The second prize was awarded the two girl competitors, Amateur vaudeville nights at the New Park will hereafter be held the last Monday of each month.

The heavy storm of Saturday night approached a cloudburst in intensity. As much rain fell in the night 1.82 inches, an ordinarily may fall in a whole month. Water collected at the corner of Seventh and Laurel streets and ran into the basement of the Imperial block, doing considerable damage to tenants there.

Another shipment of unblacked "cheetah" arrived this morning. The entire lot will be on sale tomorrow morning at 10c a yard. Come early. B. Kaatz & Son.

The story sent out from St. Paul and Minneapolis that the St. Cloud car shops of the Great Northern railway were to close down was entirely erroneous. They will be kept in operation and the force increased forty men on June 1.

Tricoots are very popular just now for waists and whole dresses. We are showing a splendid line at \$2 per yard. B. Kaatz & Son.

Camphor & Hydrastis
Fine For Sore Eyes

It is surprising how QUICK eye inflammation is helped by camphor, hydrastis, withhazel, etc., as mixed in Lavoptik eye wash. One lady whose eyes were weak and watery for three years was helped AT ONCE. Another case of red, inflamed eyes was also benefited. One small bottle Lavoptik usually helps ANY CASE sore, weak or inflamed eyes. Aluminum eye cup FREE. Johnson's Pharmacy and all leading druggists.

He is Looking 'Em Over
Again

"Eight years of stomach and liver trouble reduced me to a walking skeleton. My skin was dried up and as yellow as a twenty-dollar gold piece. I was filled with gas and had severe pains in my right side. I could not think and had lost all ambition to do anything. Doctors' medicine did not touch me. My cousin advised May's Wonderful Remedy, which snatched me from the grave. I have gained sixty pounds, eat like a hired man and am looking 'em over again." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and druggists everywhere.
